LOCALITY

Dúbravka is considered one of the most beautiful parts of Bratislava. It doesn't matter if you look west or east, you always see the forest. Its location outside the bustle of the city, as well as its surroundings, predestines her for family housing and active relaxation after all -day work. Of course there are excellent civic amenities and an excellent connection to the city center. Near the apartment building there is a supermarket Kaufland, with a pharmacy. There are also small sales centers Saratov and Dúbrava, close to the apartment house and a large Bory Mall shopping center with a new hospital within reach. The British International school is in the vicinity, a winter stadium, or popular Rosnička summer swimming pool, as well as the Volkswagen plant. You can spend your free time pleasantly in the Líščie údolie valley or also in the forests over Dúbravka, where you can find maintained hiking trails and cycling routes that will lead you to Devín or Devínska Nová Ves, or to the Schlosshof, beautiful castle in Austria. On the other hand the city centre is easily reached by car (10 min.) or by public transport (bus, tram - 15 min.)
