HERRYS - ATTRACTIVE COMMERCIAL SPACE FOR SALE IN THE PREMIUM METROPOLIS PROJECT.

HERRYS real estate agency offers exclusively for sale an attractive commercial space located in the METROPOLIS premium project. The project is being built at a lucrative address in the heart of Bratislava's downtown, on Bottová street. The commercial space is located in tower B and has an entrance from an elegant corridor located on the 2nd floor of tower B. The space has large-format glazing with a view of the commercial pier and the newly emerging downtown. The space is sold as a shell and core space, with connection points to engineering networks. For the space, it is possible to purchase a parking space/spaces in the ground-floor garage hall, located directly behind the background of the future commercial operation.

DISPOSITION

The commercial space has a total usable area of 109,19 m². Access to the space is provided from the corridor located on the 2nd floor of tower B, accessible by stairs or two elevators. The orientation of the space is to the north-west, to the commercial pier and the emerging downtown. The total number of floors in tower B is 18.

LOCALITY

METROPOLIS project is growing in a prestigious district of the Bratislava city center, in the so-called Bratislava downtown, on Bottová street. This new dynamic district combines the charm of the Old Town with the diversity of the modern world. It is an excellent location in the heart of the downtown with the most modern residential and administrative buildings, and it also represents the most modern district in Central Europe. Shopping centers, designer restaurants, bars, the Danube promenade and the historic city center are nearby. After the completion of all planned projects, more than 4,000 apartments will be built here in the next few years, which represents a huge potential for business development and prosperity. The purchasing power of residents in this area is 133 %, which is 33 % above the national average.

BENEFITS

- aesthetic timeless architecture of the METROPOLIS project with an elegant commercial pier with an overlay and a majestic colonnade
- tinted large-format glazing, giving the space a modern, elegant look
- elegance consisting in the uniform design of the advertising marking of the premises
- the possibility to design your own business operation project in an attractive space with high ceilings, which will have excellent visibility
- attractive architectural concept of 2-story and 1-story commercial spaces creating a unique in the center of Bratislava
- 24-hour reception
- comfortable accessibility with the possibility of access by car directly in front of the business operation and at the same time stable parking directly behind the background of the business operation
- lucrative address, in the heart of the new
