DISPOSITION

The family house has a minimalist design and a light-filled space thanks to the large-format aluminium windows. The layout consists of two floors.

1. NP: entrance hall with storage space, bathroom with toilet, washing machine, shower and technical part for the boiler, entrance to the outdoor terrace
2. NP: double bedroom with passage to the bathroom which consists of a bath and toilet, two children's bedrooms, living room with passage to the kitchen

In case of interest, the possibility of layout modifications and "opening the space"

LOCALITY

The house is located in a closed residential area on Štepná street in Dúbravka, which is very well accessible to the city center (public transport) and outside the city (motorway D2) and is represented by complete amenities - kindergartens, primary and secondary schools - the sought-after British International School (BIS), shopping opportunities, sports facilities, several smaller shops and shops, restaurants and cafes.

The new BORY hospital is in close proximity, also the shopping and entertainment centre BORY MALL, Hornbach, Metro, OBI, Cortelazzi, etc. Attractive are cycling routes and marked and unmarked hiking trails in the vicinity, especially on Devínská Kobyla and Dúbravská hlavici, which together form a popular recreational location for residents from the surrounding area.

BENEFITS

- large-format aluminium windows with 2-paned glass
- electric blinds with automatic shading
- wooden parquet
