HERRYS - EXCEPTIONAL 4-ROOM DUPLEX APARTMENT WITH TERRACE AND WELLNESS ON LEGIONARSKA STR. FOR SALE

The **HERRYS real estate agency** offers for sale an **exclusive spacious 4-room duplex apartment that harmoniously combines stylish urban living with industrial elements and the full comfort of a family home**. The dominant feature of the apartment is a **covered terrace with comfortable seating**, a kitchenette, a bar, and, above all, a private wellness area with a Finnish sauna. Thanks to the roof, the terrace can be used throughout the year – in the summer months as an outdoor living area, in winter as a relaxing wellness area.

The layout of both floors was designed **with the needs of families with children in mind**. On the lower floor, there is a practical space under the staircase that serves as a mini playroom with storage space for toys. The main playroom is located on the open upper floor, where a net is attached between the beams, giving the space an airy feel and remaining visually connected to the lower floor.

A striking design feature of the entire interior is **the black metal staircase with railings**, complemented by solid oak steps that emphasize the industrial character of the apartment.

The apartment is located **on the 5th and 6th floors of a brick apartment building without an elevator on Legionárska Street**.

The location offers true city living - everything you need is at your fingertips, from cafes and services to quick connections to the city center, while maintaining a pleasant balance between city bustle and peace for everyday living.

- The apartment underwent a complete renovation and modernization in 2021, including the replacement of all utilities (gas, electricity, heating).
- The apartment building dates back to 1923, with the attic conversion completed in 2000.
