It is a quieter location with mostly residential buildings, complemented by family houses and greenery, which creates a pleasant living environment. In the immediate vicinity there are groceries and smaller businesses offering everyday services, such as KRAJ food, as well as local cafes and services. The location also benefits from the proximity of larger shopping areas – just a few minutes by car or public transport is AVION Shopping Park Bratislava, where there is a wide range of shops, services and gastronomy, as well as Fresh Market with quality food and farm products.
