dynamically developing Bratislava downtown. The area of the space is 12.08 m². The METROPOLIS project - tower B has a total of 18 floors and is part of a modern city center with excellent accessibility and complete civic amenities.

LOCALITY

METROPOLIS project is growing in a prestigious district of the Bratislava city center, in the so-called Bratislava downtown, on Bottova Street. This new dynamic district combines the charm of the Old Town with the diversity of the modern world. It is an excellent location in the heart of the downtown with the most modern residential and administrative buildings and also represents the most modern district in Central Europe. Nearby are shopping centers, designer restaurants, bars, the Danube promenade, as well as the historic city center itself.
