HERRYS - 3-ROOM APARTMENT WITH A LARGE TERRACE IN A NEW-BUILD DEVELOPMENT ON LUŽNÁ STREET

HERRYS Real Estate Agency is offering for sale a stylish 3-bedroom duplex apartment in a modern new building on Lužná Street, in one of the most sought-after locations in Bratislava's Petržalka district. The property stands out for its well-thought-out layout, high-quality finishes, custom-made furniture, and exceptional outdoor space in the form of a spacious terrace and loggia, which significantly expand the apartment's living area.

The apartment is air-conditioned and designed with an emphasis on functionality, comfort, and ample storage space. Thanks to its duplex layout, it offers an ideal separation of day and night zones, which will be particularly appreciated by families or clients seeking comfortable urban living with a sense of privacy.

The apartment has undergone several technical upgrades designed to enhance living comfort and security. The features include high-quality triple-pane windows that provide excellent thermal and acoustic insulation, exterior blinds for effective light and temperature control, an electronic security system (alarm), and high-end security entry doors with cast-in steel door frames, which provide an above-standard level of protection.

The entry level features a spacious entryway with plenty of custom storage solutions. The sleeping area of the apartment consists of the master bedroom, a children's room, a separate walk-in closet, a bathroom, and a separate toilet.

The upper floor features an airy living area dominated by a living room connected to the kitchen and dining area. The space also includes a practical work corner suitable for a home office. The living room offers direct access to a spacious terrace, which provides a pleasant place to relax and seamlessly connects the interior with the exterior.
